Why

Cedar Park Boys Lacrosse is a competitive sports club associated with Cedar Park High School in compliance with UIL rules and regulations. CPLAX however receives no financial support from Cedar Park High School or Leander ISD, and must receive all financial support from fees paid by parents and through fundraising projects, such as our annual golf tournament.

100% of profits received from our 2018 Golf Tournament will be used to support our team by providing game and safety equipment, paying referees and other officials, paying rental fees for practice and game facilities, and all other costs associated with our sport.

For Players

Twin Creeks Country Club is a par 72 7033 yard Fred Couples signature course that meanders through 195 acres of very pretty, hilly, and picturesque west Austin hill country. Twin creeks that have etched valleys out of the natural limestone and come into play on several holes are part of what make this outstanding 18 holes challenging and fun to play.

The front nine is the easiest nine as it plays from the bottom of the valley up to the top and along a ridge and then back down into the valley - offering some majestic views and dramatic elevation changes.

The back nine plays along the valley bottom and is defined by the creeks that run alongside and cut across 7 of 9 fairways, sometimes twice on the same hole. Club selection and course management are keys to scoring well on this challenging nine and you'll most likely use the vast majority of your clubs when you play Twin Creek's back nine.

The Tif Eagle greens run fast and can, up to 11 or so under the right conditions. You'll need some accurate approach shots to have a great round - all of the greens but 3 are well guarded with one to three bunkers and most are raised with significant slope off the sides.

The bunkers at Twin Creeks Country are strategically placed in your tee shot landing zone or guarding the greens. The sand is very good - fine, soft, and thick. The bunkers range in shape and size and most have some very steep faces.

Twin Creeks Country Club is a fantastic layout that is fun and challenging and a pleasure to play.
